

TOM'S FARM TIME TRIAL 🏆

December 13, 2009 28 rider

Look like the Weather Man keep riders away. Forecast for heavy rain in the early morning, but not at start time. No rain at all and a great day for a time trial, in the 50's, with a tail wind coming back. Sorry we missed the riders that did not make it. We will see you next year, January 10 for another Cup Series.
