

## TOM'S FARM TIME TRIAL

December 9, 2007 49 riders

Course: 8 miles out and back. Very fast.

With the morning starting out with rain, we still got off to a good morning of time trialing. 49 riders come out and did the time trial.

We like to thank you for taking part in our time trails and look forward to seeing all of you once again on January 13, 2008 for our first event of the year. Thank you.
