

TOM'S FARM TIME TRIAL

October 21, 2007 57 riders

Course: 8 miles out and back. Very fast.

With one of the windiest day of the year, winds at 25 to 45 mph.

We still had 57 riders come out and do the time trial.

We like to thank everyone and look forward to seeing all of you once again on Thanksgiving Day morning November 22, 2007

USCF Category
